

## THE PRESIDENT'S MESSAGE

Is everyone getting their brains trained to say FRVA instead of FMCA? As most of you know, Family Motor Coach Association is now called Family Recreational Vehicle Association.

We are halfway through the year and we need to start thinking about the fun stuff we want to do with our Roadtrek family NEXT YEAR! Yes, next year shows up fast and campgrounds fill up fast.

Let's all brainstorm some ideas for **"places to go and places to see"**. One idea could be checking out the special campground at FRVA's Office in Ohio. Somewhere in the brick sidewalk from the office to the campground and dog park are 3 bricks commemorating our deceased Roadtrek International presidents.

We always have at least one Roadtrek Business Meeting at a rally each year and we **need a new place to go for 2026. What part of the country do you want to travel too?** Please send me an e-mail [ober21c@yahoo.com](mailto:ober21c@yahoo.com) or send your region vice president your ideas so we can discuss them in time to secure a campground before they fill.

Speaking of region vice presidents...If you have noticed we are short region vice presidents in a lot of our regions. Many of us who have been members for 15 to 30 years have been region vice presidents at sometime. You can be a new member and still be an officer. Having a lot of people involved in volunteering makes it so much easier for everyone.

**I just wanted to mention that we have two members of our organization who chose to serve for 25+ years as Vice Presidents. They are now Alumni to Roadtrek International. Thank you for your service. Dave Gottdiner and Betty Weite.**

CHRIS OBERHOFFER  
ROADTREK INTERNATIONAL PRESIDENT

# Rock and Roll into Little Rock

*RALLY REPORT*

## REGION 7 Rock and Roll into Little Rock

**Downtown Riverside RV Park, Little Rock, Arkansas**

**April 28-May 2**

**By Phyllis Slaughter and Ken Diabold**

It was a small rally with only 10 Roadtreks and all of them were Chevy of various ages.

The catered meals were excellent and the company of the other Roadtreker's great.

The first night we had an historian talked about presidents, other than Clinton, who visited Little Rock.

Our campground was in a great location. Most of us walked over the old railroad bridge converted to a walking/bike path (Clinton Presidential Park Bridge) into town and visited the Arkansas Historic Museum. Another day we walked along the river to the Arkansas Inland Marine Museum where some of us took a guided tour inside of a submarine. We drove to the Old Mill (a historic re-creation of an 1880's water-powered grist mill used in the opening scenes of the classic movie "Gone With The Wind." There we had a guided tour of the Mill. All of us had fun riding the historic trolley that actually runs on a track.

We even got to "Rock and Roll". One evening we planned to have pizza under the picnic pavilion. A storm came up rather quickly and blew salad and pizza off the tables. We gathered our remaining pizza, dashed through the rain back to our Roadtrek's where we felt the wind rocking our vehicles.

These are a few pictures:

On this trip we will be using a new GPS, Garmin's 895 with a 8" screen. It has taken this old guy over a month to get used to, but I think I finally got the hang of it by reviewing countless YouTube videos and spending hours on the phone with Garmin techs. But, I have not road tested it yet. So, if you don't see me at the rally in Wyoming I may be lost somewhere, never to be found.

Happy trails to you, until we meet again,

Dave Bennett

Summer is here and we hope you have been enjoying travels with your Roadtrek. Some of you attended the FRVA (FMCA) Midwest rally in Elkhorn, WI. Now we are looking forward to the FRVA (FMCA) Summer Convention in Gillette, Wyoming July 16-19. The Roadtrek Chapter Rally and meeting will follow July 20 - 24 near Loveland, Colorado. This would be a great opportunity to attend two rallies on one trip. See the FRVA (FMCA) and Roadtrek International web sites and the RTI Newsletter for details. Also, be sure to check the Roadtrek web site and newsletters for other rallies scheduled for this summer and fall. Rallies are not only an enjoyable experience but a great way to learn more about your RT.

If you would like to see more Roadtrek rallies in our region, think about an area, campground or event that fellow Roadtrekers might enjoy. Your rally can feature a special place or event such as a festival - or it can be a relaxing few days to share the company of fellow Roadtrekers. Now is the time to start planning rallies for next year

We hope this is a great year of travel and fellowship with fellow Roadtrekers.

We had about 40 Roadtreks attend the annual meetup on Vancouver Island with wandering around the island after the event. The music this year from Juno award nominee Bill Johnson was terrific. He is looking to purchase a Roadtrek and has been a previous owner. We each contributed \$10 for the music and hot dog roast over the campfire on other nights.

The dates have been set for 2026 annual meetup on Vancouver Island May 21-24 2026 in Sooke at the Sooke River Campground and we often wander to other places before and after the event. We have such a good time we keep doing it. Vancouver Island Roadtrek community facebook page will post more information on the event
