VOLUME #28, ISSUE #4

JULY/AUGUST 2020

THE PRESIDENT'S MESSAGE

Back to normal is a wish, but we all know it's not happening now. This newsletter is one way to keep you informed of what is happening in our Roadtrek International Chapter halfway through a year of Covid 19 disruption and destruction.

Clubs all over America are trying to figure out how to operate under current bylaws and standing rules written at a time when no one imagined a pandemic affecting them. Your officers, committee members, web master, and all the volunteers who are the internal engine of this club have been working hard via phone and internet to get Roadtrek International Chapter up to date with mandates from FMCA due to the pandemic.

Please use your new password (found in this newsletter) to access the members section of our web site and review our updated bylaws and standing rules. Our bylaws committee chair has provided very helpful instructions in this newsletter to help you with that. Please read the changes mandated by FMCA. This will be up for approval at our Chapter Business Meeting in Aug. (By the way there is a Bylaw committee member position opening if you love this kind of stuff).

More important news: July 10th will be decision day for the question many of you are wondering about. Will we or will we not, have our "in person" Chapter Business Meeting scheduled in Amana, Iowa on August 17th to 21st 2020? Those who have sent their checks and registration to Rick Hansen will receive an e-mail after that date and checks will be deposited or shredded depending on the decision. Since newsletters are bimonthly I suggest that you tune into cyberrally this month in the event I need to send information to all members concerning an electronic business meeting. At my last count we have 893 FMCA#'s registered Roadtrek International Chapter members, making those 591 couples and 302 solos.

Thank you to all of you especially the volunteers that are the internal engine of this club. Thank you all for being members. If you want to volunteer for any slots on the ballot or for a committee that fits your passions contact NOW before our business meeting. The Nominating committee chair is Ronda: 513-604-4191 or e-mail rodel@fuse.net

REGION 6
2020 RTI CHAPTER RALLY
AMANA RV PARK AND EVENT CENTER
AMANA, IOWA
AUGUST 17-21, 2020

COVID-19 UPDATE

As of now we are still a go for our RTI Chapter Rally. Our plan is to carry on following CDC recommendations of social distancing and wearing face masks. As you arrive, we will ask some medical questions about the virus just like you would answer at your doctor's office before entering: like exposure to, traveling, etc. and take your temperature. The RV lots are large class A with plenty of space for social distancing. We will arrange seating at meals so instead of a table of eight, we will seat four-two o each end. For solo's we will stagger the seating by having one on each end and one on each side.

Our normal Buffets now will have to be a serviced meal by attendee volunteers wearing gloves and masks.

Our venue is a large building which would normally accommodate 400 guests so there is a lot of room. If the weather cooperates there are large industrial type doors that can be opened to allow outside air into the building. If not, it is airconditioned. If we get a surge in attendees, we can go to an even larger building. We believe there is sufficient room to social distance even at the meeting, discussions, and meals.

The Old Creamery Theatre has decided to close for the entire 2020 season because their admission fee is their major source of revenue and all their expenses are up front before the production begins and with the unknowns and theater seating, hence the cancellation. We will be making a refund of a portion of your fee at the Rally because of this cancellation.

Amana RV Park is open and looking forward to hosting us. Although the Amana community is small, spread out, and rural there are seven major medical facilities within 30 miles of the Park including the University of Iowa Medical Hospitals and a VA hospital.

Lastly, if you need to cancel at anytime up to August 1st we will be able to refund 100% of your Rally fee. Because of the above length and space concerns please see our prior write ups in the Jan, March, and May ROADTREK NEWS.

Cost: Roadtrek with one person: \$210
 Roadtrek with two persons: \$320
 Each additional person: \$110

I cannot write this report for the *Roadtrek News* without expressing how grief stricken I am over the passing of my friend and our President Sherry Targum. She will be missed.

We are living in uncharted times with this pandemic causing all of us to practice social distancing. Something I have never heard of before. I have found this quotation to help me deal with our situation: "Once we start believing that the apocalypse is coming, the amygdala goes on high alert, filtering out most anything that says otherwise." Peter Diamandis. So my friends this too shall pass and we will get back to normal.

I hope every one's making their plans for the 2020 Chapter Rally in Amana, Iowa this August 17th - 21st. From Rick Hansen Region 6 rally host, "If you are thinking of coming, please register so that we have an idea of support for this rally. Your rally fee check will be held until July 10th before being deposited. If at any time prior to then you determine that you cannot attend for any reason, you will get your money back. After July 10th you will get a prorated refund. Both Amana and RTI are monitoring all government and CDC recommendations."

Terry Whitesell ([email: terryw5355@gmail.com](mailto:terryw5355@gmail.com)) is planning Awesome Autumn VIII. This will be at the same campground as VII, Bear Run in Portersville, PA. and in the fall 2020. The dates are October 1st -5th and you can now read the event description in the newsletters. They just keep getting better and better. I do believe that our social distancing will be over before October.

Happy trails to you until we meet again,

At this time, we do not have a rally on the calendar for our region. We do not know what will happen in the Fall with COVID-19. Hopefully, by Spring we can have rallies again. There have been some fun rallies in Region 7 in the past. Go to <http://region7rally.org/> and check out the pictures and stories of some of those rallies. But we need some new places to go and help planning rallies at those places. If you have a location in mind for a rally or R&R, contact the region VP's and we will facilitate getting it going. We need ideas and volunteers to help plan. Please volunteer! **Your region VP's are experienced at rally planning and executing but need you to help find a location and help to plan activities.**

We are keeping our fingers crossed for the Annual Chapter Meeting, in Amana, Iowa, to be held in August or possibly September. This COVID-19 Pandemic has been difficult for all of us and now we are dealing with the Riots. We should know something about plans for the Chapter Rally, for sure, on July 10.

Many of us have used this "down time" to get work done on our rigs and some have made improvements. We are chomping at the bit to hit the road again.

With the current happenings in our world today, Rallies may or may not be feasible in the near future. There is hope the restrictions will be lifted soon—as long as we continue to follow the recommendations of the CDC and our Governors. We will need to pay close attention to what areas are closed or open as we plan our travels since each state seems to be following their own rules.

Safe travels and have fun!

FMCA 33rd ANNUAL WESTERN AREA RALLY IN INDIO, CA

JANUARY 6-10, 2021

BY PAT YACKLON AND SUE HANKINS

As of this time, FMCA is still planning on the WESTERN AREA RALLY IN INDIO, CA for next January 2021. And we are planning on another fun "rally within a rally". Our Roadtreks will again be parked together in our same area, the Red Lot, by the covered pavilion and near the showers and restrooms. We will be providing continental breakfasts each morning and dinners each night. FMCA always has 3 nights of great entertainment and a night of bingo. There is a large vendor tent and coaches on display. The theme for the parade is The Land of Oz, and our fun-loving members are already thinking of ideas and costumes. So, come and join our Roadtrek family next January for another fun rally.
