**VOLUME #33, ISSUE #6** 

November/December 2025

#### THE PRESIDENT'S MESSAGE

Last call to get your \$20.00 dues paid by Dec. 31<sup>st</sup> or sooner. The e-mail you just received announcing this newsletter has your dues expiration date listed on it. Your FRVA dues expiration date is listed on the address label of your "family RVing" magazine and is most likely a different time of year then Roadtreks dues date.

Our secretary needs to send our updated officer's list to FRVA and we still need you to volunteer to serve. We are looking for Vice Presidents for almost every region. We were fortunate to get 2 new Vice Presidents for region 4 during our chapter meeting but we still need to fill the gap in other regions. Please contact Ronda Deel <a href="rodeel@fuse.net">rodeel@fuse.net</a> or me <a href="rober21c@yahoo.com">ober21c@yahoo.com</a> today. We are also looking for someone who would like to be our Historian. We have History from our beginnings. Much of it has been digitalized but it would be nice to finish what isn't done and continue our legacy. Are you a History Buff? Roadtrek Chapter needs you.

If you want to have fun and share your Roadtrek adventures we need rallies planned and posted on the calendar. Hurry, submit your plans to me or your region vice president so we have places to rally or meet-up next year. Plans for a simple Roadtrek Chapter Rally for 2026 will happen in conjunction with the FRVA 113<sup>th</sup> International meeting in Sedalia, MO in July. There are also tentative plans forming for a pre rally in Rolo, MO.

The family RVing magazine seems to arrive just after the newsletter comes out. Take a look at page 69 in the Sept. /Oct. issue entitled "Our Crazy Paint Trip". Look at that fantastic looking Roadtrek. Articles can be submitted by chapter members, and the directions are on the lower right corner of page 68 in the Sept. Oct. issue of the magazine. This month the page numbers will be different.

Since this newsletter comes out just after Halloween, here is a little story about my experience coming home from Awesome Autumn in Oct. My husband and I discovered a new feature on the Roadtrek that we didn't know existed. While driving through Kansas and Missouri, we stopped for gas and acquired a bunch of flies evidently wanting a lift to Colorado. After a few minutes of shooing and waving them out, we headed toward home. Of course, we discovered one stow-a-way that liked walking across the top of the windshield above the steering wheel. Suddenly out of the corner of my right eye, while dodging potholes and semi-trucks, I saw what appeared to be a 6"sting with a little tiny button at the end of it just swaying behind the rear view mirror. At closer look by my husband the co-pilot, it was determined the demise of the fly. Who knew that our Roadtrek came equipped with its own insect catcher? Thus, the story of the "Roadtrek Spider and the Fly".

Chris Oberhoffer-President of Roadtrek International.

### **Note from Chris Oberhoffer:**

Did you know that region 3 only has 25 members? What a great opportunity we have to get new members.

We are also looking for 2 new Vice Presidents for our region to keep us informed and keep our purpose alive. (As president, I can only do so much and having vice presidents in each region just helps share the load. I am only 21 hours drive from Ontario so consider helping me out.)

Awesome Autumn XIII was held in a new location this year. Next year, 2026, Awesome Autumn XIV will be at this same location, Pine Cove Beach RV Resort, Charleroi, PA. This is a great location for meet and greet. Full hookups (water, electric and sewer) with nice level sites, all back in. After looking at the surroundings, I think it is a reclaimed coal strip mine with the camp sites built on the leveled spoil from the mining.

In attendance there were 16 rigs, 25 people, 7 dogs and 2 cats. The evening campfires were enjoyed with only one being rained out Tuesday night. Tuesday's supper was at the Carlton Diner, Bentleyville, PA. A diner to remember for the next Awesome Autumn. Thursday's night out was at Hugo's in Brownsville, an equally great place. Unfortunately, Julie and I had to miss this due to Friday commitments.

One of the best features about this location is one of Washington County's three parks, Mingo Creek County Park. It has biking, hiking, picnicking, playgrounds, camping and one of the best dog parks I have seen.

#### Note:

Chapter elections will be coming up soon. David Bennett will be spending more of his time as the Chapter's FRVA Representative, but he will still be involved with our Region 4 VPs. Allan Mitchell (OH) was appointed as one of VPs at the Chapter Rally in CO. Bill Roberts & Janet Fujisawa (MD) will also be taking on VP duties.

Rallies are the life blood of our organization. We are always looking for ideas for rallies, rendezvous and get togethers. Please get involved if you have time. We are all here to help.

We have started to update our Region webpage, <a href="https://fireman44133.wixsite.com/roadtrek-region4">https://fireman44133.wixsite.com/roadtrek-region4</a>. Please send any suggestions or changes to Al Mitchell.

For many of us another camping season has come to an end and you are starting to plan for the holiday season. We hope that you had some great times with your RT.

Now we can begin thinking about the 2026 rally season. Mark your calendars. The FRVA (FMCA) 2026 International Convention and RV Expo will take place March 18-21, 2026, at the Georgia National Fairgrounds & Agricenter in Perry, Georgia. The Summer Convention will take place July 1-4, 2026, at the Missouri State Fairgrounds in Sedalia, Missouri with the Midwest Rally following on July 5-6. If you have never attended one of the conventions, they are always interesting. Watch for details in the coming months.

Once again, it would be nice to have a Roadtrek group at these rallies. Watch future newsletters for details. Be sure to check the Roadtrek website and newsletters for other rallies planned for 2026. As the holidays approach, we wish all of you a safe and wonderful holiday season and look forward to seeing you at a rally in 2026. Safe travels to those who are heading to warmer areas for the winter.
