

THE PRESIDENT'S MESSAGE

I am assuming by the time this newsletter is published that most of us in Roadtrek International will have "Gotten the Shots". We are finally able to begin recovering from a very tough year for many. May the borders reopen soon. We miss our Canadians and I hope they are missing us too!

Check out the rallies on our RTI calendar and get signed up. Those planning on attending the FMCA 103rd International Convention and RV Expo, scheduled for July 10 through 13th in Gillette Wyoming can get registered at: <https://www.fmca.com/fmca-event-registration>. This year, the State of Missouri, is celebrating its Bicentennial. But the history of the settlement of St. Charles goes back in history even further, to the late 1760's. RALLY REPORT

ANOTHER DAY IN PERRYDISE – Perry Georgia

March 10 – 13, 2021

This Convention was FMCA's 102nd International Convention and RV Expo! And it was the first FMCA event since the onset of COVID-19. It was remarkably well attended, with over 1300 convention-going rigs plus around 200 – 300 RVs on display. Roadtrek International registered 17 rigs! We had our favorite parking place next to the barn and 'facilities'.

In accordance with our custom, we 'poured at four' each day. This is a great time to catch up with 'old' trekkers, and meet, greet and get to know our three new-comers.

Many of us signed up to be volunteers in one way or another. The weather was perfect with no puddles to skip through on our way to various seminars, donuts/coffee, evening performances and shopping, of course! 'Our' Geeks, Jim and Chris, did four seminars – all interesting and so helpful!

All coronavirus protocols were observed. Masks were mandatory and social distancing requested. Hand sanitizers were mounted everywhere and seating in seminars and the arena were separated two-by-two I thought it was remarkable how well everything went off.

I'm now looking forward to the FMCA Convention in Gillette Wyoming, July 7-10. New FMCA Executive officers will be elected at this convention. Many of us have talked of attending. We should start planning caravan-ing or meeting up somewhere along the way.

By the way, on my return trip to KY, I decided to avoid the Atlanta 'speedway' and stay at a Harvest Hosts. There was an HH farm right near Etowah just south of Asheville. It was perfect. I even had a rooster as an alarm the next morning!

As we write this report we are scheduled to receive our second covid shots tomorrow. We certainly hope to have better immunity and feel a bit safer as we begin our travels this year.

We have had some questions about the possibility of the Chattanooga rally being rescheduled. Larry Young is sending out email "feelers" to those who had signed up before so he can get a better feel for the response to a fall rescheduling of this rally. Hopefully things will soon return to something a bit more normal.

The Region 1 Vice Presidents would like for folks to step up with ideas for more rallies in the future. If you are interested in hosting a rally in our region please contact us with your ideas. We would be glad to assist with plans. Remember, you don't have to do it alone: choose others to work with you.

Safe travels and "Keep on Trekkin"

Hello, Region 3 members! I am the new VP for our region and will be preparing reports for the newsletter going forward. If you have any questions or suggestions, please send them to me at jmatyas@sympatico.ca.

With everything uncertain and still in lockdown, there have been no rallies or special events planned. I am hoping that will change as the 2021 summer camping season moves forward.

Anyone interested in working with me to plan and host an early fall rally for our Region 3 RTI members? I am open to ANY ideas and suggestions and would love to help make it happen.

A rally can have a lot of benefits:

1. The social aspect of getting together with other Roadtrekkers.
2. A way to learn more about the operation of your Roadtrek.
3. A way to get ideas for modifications to suit your lifestyle on the road. (No one has better ideas than other Roadtrekkers!)

I need you to help find a location and help to plan activities. We can keep the cost affordable. So ... let's make it happen!

In the meantime stay healthy and stay well.

All the best,

Jo

By now I hope that most of you, if not all, have received your vaccination for COVID-19, and for those of you who have decided not to get it, I hope that you are still taking the proper precautions to protect others as well as your selves.

Region 4 is having two rallies this year. I'm happy for that. Since the start of this pandemic it has been difficult to hold rallies anywhere.

To start, the Amish Spring Rally, May 23 to 27, has filled up and is now closed with 19 rigs and 30 participants. On Sunday we will start by having a pizza party, pizza courtesy of the Winesburg Pizza. With a head count of 30 we will be able to have Mrs Yoder's Kitchen cater a meal for us on Wednesday.

Terry Whitesell (email: terryw5355@gmail.com) will be having her Awesome Autumn IX rally in September 30 – October 4, 2021. The location of the rally is in Lawrence County at Rose Point Park, 8775 Old Rt. 422, New Castle, PA 16101. www.rosepointpark.com.

Region 4 has a web master for our web site, Diane Brister. You can send photos and comments about your travels and activities to her email address, ancientbones1753@gmail.com. Region 6 Note

As the camping season approaches, we anticipate getting back on the road. While Covid 19 shut down rallies last season, now most of us have been vaccinated and we look forward to safely gathering again.

If you have an idea about a place where we could hold a rally, check it out. You've never hosted a rally? Your VPs can advise and help. Plan a rally with scheduled activities - or one to just relax and visit. Both kinds are enjoyable. Had a rally there before? Let's enjoy it again. Any kind of rally in Region 6 would be great.

Since outdoor gatherings are still recommended, this may be the year to try a location that we didn't consider because there was no indoor gathering place. Let's start planning some RT rallies in our region. We've missed seeing one another!

If you have an idea, contact your VPs. We would like to help. In the meantime, stay healthy and hope to see you down the road.
