VOLUME #30, ISSUE #3

MAY/JUNE 2022

THE PRESIDENT'S MESSAGE

I would like to welcome the new members that have joined this year. We are halfway through a year where Covid restrictions are not as intense. People are becoming more confident in traveling and we have more rallies to attend. At the FMCA 104th convention in Tucson the end of March, I heard that Roadtrek International is running a close race for largest Chapter. That was really exciting to hear. If you are reading this and you own a Roadtrek but don't belong to Roadtrek International keep reading and check out the public part of our website. We have a lot to offer and would love to have you join us.

Members, if you want to keep up to date please read the newsletter, check the calendar, ask questions on cyberrally, watch for Roadtrek International e-mails announcing the newsletters every other month, use the password in those e-mails to get into the private part of our website and read the minutes from board meetings and our chapter meetings. Being a large International Chapter we use these means to communicate with you. If you are having trouble with these communication tools you can always e-mail me with your questions or concerns. (As some say, "ask your kid or grandkid to help figure out the digital world.") We also have a great team of members donating their time keeping our chapter running smoothly who can answer your questions.

Getting signed up for a rally can also be one of the best ways to meet fellow Roadtrek owners and share ideas, answer questions, and have fun. I hope to see everyone at rallies the rest of this year. Keep on Trekin !

Chris Oberhoffer
Roadtrek International President

PLANNING FOR RTI 2022 ELECTION

The successful electronic election for 2021, and the realization that both geography and unexpected circumstances (such as a pandemic) can make participating in elections in person at the annual Chapter Rally difficult for many of our members, prompted the Executive Committee to vote to conduct our elections electronically in the future, after September 15 each year. That is a few months away, but we need to start filling the ballot now!

The positions that we will vote on in September are those required by FMCA (Executive Vice President and Secretary), those whose terms are ending December 31, 2022, and those that are currently vacant (designated by an asterisk). Incumbents will be encouraged to run for re-election, but additional nominees are welcome for all positions.

OFFICERS

- Executive Vice President
- Secretary
- Alternate National Director
- Region 2 Vice President (2 positions open*)
- Region 3 Vice President (1 position open*)
- Region 4 Vice President (1 position open*)
- Region 5 Vice President (2 positions)
- Region 6 Vice President (2 positions)
- Region 7 Vice President (2 positions)
- Region 9 Vice President (2 positions)

NOMINATING COMMITTEE REPRESENTATIVES

- Region 6
- Regions 2, 3, and 9 (currently vacant*)

Are you ready to volunteer to help keep the fun and fellowship rolling? Please refer to the Members section of the RTI web site (roadtrekchapter.org and use the log-on from the latest newsletter email) for the position descriptions. The candidate consent form is included later in this newsletter. Keep in mind that candidates must be members in good standing of both FMCA and Roadtrek International, and they must agree to serve. Questions? Candidate to recommend? Please contact me at rodeel@fuse.net or President Chris at ober-21c@yahoo.com.

TWO BIG FMCA RALLIES COMING UP

INTO International Area Organization of FMCA

May 23rd-28th
Lebanon, Tennessee

105th Convention in Lincoln NE

Aug 24th-27th

Lancaster Event Center

If you are planning on going to an FMCA event, please sign up with the registration form provided in your FMCA RVing Magazine or FMCA website. As a Roadtrek International Chapter member you are welcome to register for FMCA rallies.

Roadtrek International parking volunteers work hard to get our members parked together. But we need to know how many sites to reserve in the 30 amp only section and the number wanting generator parking. It is also **IMPORTANT to have a large black letter ROAD-TREK sign in the windshield** so parking can identify you and lead you to your designated Roadtrek camping spot. Otherwise, they will park you with the big rigs.

If you want to park together read further:

For INTO RALLY: please Contact Ramona to get a parking spot with our Roadtrek Chapter: ramonaenger@gmail.com

For 105th Convention in Lincoln, Nebraska: Register for the convention with FMCA and separately contact Chris to get a Roadtrek parking spot with our Chapter: ober21c@yahoo.com Lincoln will have over 1,500 motor homes, so there is a deadline for us to reserve. YOU MUST notify ober21c@yahoo.com by July 26th for best results to park together on 30amp. Generators will not be in the same lot but gulf carts can transfer you to our location for “pour at 4”.

MEET UP AT OZARK FOLK CENTER

Meet UP Ozark Folk Center At Ozark RV May 17-20, 2022

We will meet up at the Ozark RV, then visit the [Ozark Folk Center](#). This state park is set in a scenic section of Arkansas and showcases Ozark arts and crafts in a recreated village. Each shop has a craftsman or artist in demonstrating their skills. You can interact with them, sometimes become involved in the making of their art, and buy their finished product. There is, also a heritage herb garden and live music playing during the day. The Ozark RV is next door to the Folk Center and has a walking path to the Folk Center entrance at 1022 Park Ave Mountain View, AR 72560.

We will begin our Meet up with a potluck dinner at the campground meeting room. Wednesday we can tour the park and will meet for lunch at [The Skillet Restaurant](#) in the entrance to the park.

Wednesday and Thursday evening we will meet at the meeting room to visit, discuss our travel adventures, and trade tips on maintaining and improving our Roadtreks.

Thursday is a free day to explore the area.

If you wish, you can arrange to stay the weekend for the [Cowboy Music and Art Festival](#) at the Folk Center.

Mountain View is only 7 hours from the INTO Rally in Lebanon, TN starting the May 23rd. So, it is a nice stop along your way to Lebanon or just to Meet-Up with other Roadtrekers

Make your own reservations at the Ozark RV by calling 870-269-2542. Tell them you are with the Roadtrek Region 7 group, so we can park together. The rate for 30 amp is \$28.00 plus taxes per night. This includes; water, sewer, electric, high-speed internet and cable TV. They have a bathhouse and a fenced dog park. The park has recently changed ownership and does not have a working website.

After making your reservations, please email Phyllis Slaughter at phylis.slaughter@gmail.com to let her know to expect you and can contact you with further details.

TUCSON CHAPTER MEETING AND FMCA CONVENTION

The Pima Fairgrounds in Tucson was a terrific venue. Those who registered for the Roadtrek Chapter Meeting were able to park together with electricity and a few shade trees. Our presence was very visible which helped us sign up some new members owning Roadtreks who discovered us! We were close to good showers, and extremely close to the seminars, displays and entertainment offered by FMCA. Our President and Region 9 VP, Sam Hutkins worked hard with the parking committee to achieve this years parking success.

Roadtrek Chapter board met via zoom to accommodate those officers snowed in or in the far corners of our continent. An interesting note was packing officers attending Tucson into the presidents Roadtrek to participate in the zoom meeting.

The chapter meeting was held during a light dinner on Friday. Many thanks to our Roadtrek manufacturer who donated door prizes for attendees. The minutes are posted on our website for further information.

During the week the ladies attended the FMCA ladies luncheon and left the men to fend for themselves. We had our traditional “pour at four” and 2 highlights were our Block Party on Thursday and a Pizza Party on Saturday.

See photographs on following page.

HORSES IN THE SUNSHINE R&R

REGION 5
HITS HORSE SHOW
MARCH 24-25 2022

Friends from near and far gathered to enjoy time together at the beautiful World Equestrian Center in (Reddick) Ocala, Florida. The day started with a little rain but that did not keep us from getting out the raincoats and umbrellas to get out and become acquainted with the activities at the equestrian center. After an enjoyable lunch at the center we watched indoor training and outdoor jumping activities. Friday clear skies and warm sunshine made for a most enjoyable day at the center. Thanks to Janet Golden, we were entertained that evening in the clubhouse by her cousin Ginny. We learned a lot about the Jumpers at the equestrian center and will be prepared next year to understand it even more. Although it was a small gathering we had a lot of fun and a good time socializing. We look forward to returning next year on March 23rd and 24th and camping at the Ocala North RV resort. We have already registered for those dates so if you're interested you might want to sign up early.

Rally Report

With a small number of members spread across a large area (Ontario, Quebec and east through the Maritimes) it is a logistical challenge to plan a regional rally! Anyone have any suggestions about the best time of year – summer; fall? – or location? I am open to any ideas or suggestions! WHAT would it take to entice you to travel to get to a gathering of the Region 3 Roadtrek members? Please send me an email to share your thoughts.

Region Notes

Hello, Region 3 members! Great news that the requirement for rapid antigen tests are no longer required for return to Canada from the United States. Although, we did cross back while the tests were still required and it turned out to be a straightforward, easy and affordable (read: no cost) undertaking.

If you have any other questions or ideas, please send them to me at jmatyas@sympatico.ca.

In the meantime, stay well and travel safely. Don't forget to wave when you see those three windows on the roadway!
