

VOLUME #32, ISSUE #3

May/June 2024

**THE PRESIDENT'S MESSAGE**

The 2024 year is approaching the halfway mark. I hope to see a bunch of you in **Muscogee, Oklahoma in May for our Roadtrek International Chapter Meeting** and the FMCA INTO rally immediately after. (Sign up for both. They are at the same location.) Please read the pages that follow about the exciting things we have planned for the Chapter Meeting, and then more fun at the INTO rally.

We finally have more information on **Save the Date: Aug. 13-15<sup>th</sup> for the Roadtrek Manufacturers 50<sup>th</sup> Anniversary event in Canada.** Stay alert for possible e-mails about this event as it develops. You will be signing up directly with Roadtrek (not our Chapter and not at the campground in Canada).

Toward the end of the newsletter, our Chapter calendar gives all the dates and places for rallies and meet-ups still coming up for the rest of this year. Also it gives the FMCA Area meetings and the 109<sup>th</sup> International Convention in Oregon. Our Roadtrek events are explained in more detail and tell you how to sign up in the Region Sections of the newsletter. If you have an event or rally idea for later this year or for next year let me know your thoughts so we can add them to "rallies in the making" category.

Safe travels for everyone

**Chris Oberhoffer, Roadtrek International President**

# What is the relationship between FMCA, INTO and RTI? *ARTICLE*

## Contributed by Phyllis Slaughter

If you received the link to this newsletter via email, you are a member of RTI or Roadtrek International.

And you need to continue to be a member of FMCA also.

So, what is INTO? FMCA is divided into 10 geographic areas. If all the members of the chapter live in the same state or area, they are a chapter within the area they operate. For example, the Arkansas Travelers is a chapter with members from Arkansas only. They are part of the South-Central Area. The areas have rallies with their chapters. Any FMCA member can attend an area rally even if they are not living in the area or belong to any area chapter. For example, for years our Region 9 has held a rally within the Western Area Rally at Indio in January.

Roadtrek International has members all over the US and Canada. So, we are in the International Area or INTO. Other chapters under INTO include brand specific groups and common interest groups like Full Timers, Racecar Fans and Amateur Radio.

The next INTO rally is May 17-21 in Muskogee, OK. What happens at the INTO Rally? There are FMCA Benefits Update, Chapter Fair, Hot Dog Bash, Ice Cream Social, Coffee & Donuts, Breakfast, Ladies Tea. All spaces are full hookup and on concrete, 4 Nights Camping, Vendors, Seminars, 2 Nights Entertainment, Card Bingo, INTO Membership meeting, Picnic & More meals (breakfast, BBQ meal and Hot Dog supper) included. Read about it at: <https://fmcainto.com/2023/09/mosey-into-muskogee/>

This year we are holding our Roadtrek Chapter Rally a few days before (May 14-17) the INTO rally at the same location. Read about our Roadtrek Chapter rally elsewhere in this newsletter.

# The Roadtrek Chapter Rally -- Mosey INTO Muskogee Early

The Roadtrek Chapter Rally will be held May 14-17, 2024, at the Hatbox Event Center in Muskogee, OK. It will be a pre-rally and held just before the INTO rally in the same location. We will be parked in the same sites for both rallies.

Our Roadtrek rally is an opportunity to meet other Roadtrek owners, trade information about our vehicles, travel tips, and get to know each other. We are still planning the details, but there will be the usual tech seminar, swap area and other activities. Every morning we will meet for continental breakfast and have dinner together. One activity planned is the "Tour of Homes" where we can see and hear about what others have done to their Roadtrek homes. There will be an award for "best in show" for the best home improvements.

We are planning on a small celebration of Roadtrek Corporation's 50th Anniversary.

The Rally fee for the Roadtrek Rally is \$125 for one person in a Roadtrek, \$150 for Two people in a Roadtrek and \$175 for 3 people in a Roadtrek. The rally fee includes 3 nights camping (full hook-up), 3 continental breakfasts, 2 dinners, and other activities.

Sign up for the rally at: <http://region7rally.org/>

Send the rally fee to [Phyllis.Slaughter@gmail.com](mailto:Phyllis.Slaughter@gmail.com) via Zelle. You need a Zelle app on your phone or via your banking website. Or send a check to Phyllis Slaughter 407 Palomar Lane, Richardson, TX 75081 for the appropriate amount.

Registration will close May 2<sup>nd</sup>. After that date, any cancellations will result in a loss of some or all of the rally fee.

Sign up for INTO at

<https://www.fmca.com/pdfs/events/INA24RegistrationForm.pdf>

On the line that says "RV Type", enter Roadtrek Chapter. **Do not pay** for the extra night. That night is covered with the Roadtrek Rally fee.

# Sooke Vancouver Island Meet Up

*EVENT DESCRIPTION*

## **REGION 8 Sooke Vancouver Island Meet Up**

**British Columbia, Canada**

**May 23-26, 2024**

**By Teri Rostberg**

The next event in Region 8 will be on Vancouver Island at the end of May. This has become an annual meetup which I attended for the first time last May and had a great time. The campground doesn't open until April but don't worry about reservations before that time since there are plenty of sites set aside for us. I have not made a reservation for the ferry yet but will soon. That week is between a Canadian holiday Victoria Day and Memorial Day so the ferry can get busy. I will probably take the BC ferry between Swartz Bay near Sydney to Vancouver BC (**Tsawwassen**) one direction. You can also take the Black Ball ferry from Port Angeles WA to Victoria.

The Vancouver Island Roadtrek Community Facebook page is a good place to ask questions of the locals and organizers of the event Barb and Michelle.

# Roadtrek Caravan to Yucatan 2025

## EVENT DESCRIPTION

### **REGION 9 Roadtrek Caravanas to Yucatan 2025**

#### **Mexica**

#### **By Sam & Laura Hutkins**

Are you ready for a trip of a lifetime? My wife, Laura, and I completed a 3 month RV camping trip this year driving our Roadtrek in a caravan all the way to Mexico City! We experienced Mexico in a way that we could not by visiting one location, doing it alone or dropping by off a cruise ship. We have been in so many beautiful towns, seen the silver town of Taxco, shopped the mercado in Mazatlan, climbed ancient Aztec pyramids, been in the heart of Mexico City to visit the museum as well as the Cathedral of Our Lady of Guadalupe, seen gold encrusted altars of many churches, found the source of and tasted many tequilas, ate at some of the best Mexican restaurants in town, and forged lasting relationships with our fellow travelers. Many of those experiences have been enhanced with experienced and interesting local tour guides. This was provided for us through Caravanas de Mexico, the only federally licensed caravan company in Mexico, and the company we will be contracting through for this trip in 2025 (<https://mexicocaravans.com/yucatan.html>). And we're ready to go again!

We are organizing a 3 month "Roadtrek and Class B Friends Trip" to the Yucatan in January 2025 (dates tbd). That is more than a whole year away to do your planning, plus the price will go up December 31, 2023. That makes NOW the perfect time for you to get onboard. Direct from Caravanas de Mexico's web site for the trip,: "We will explore Mexico's Colonial Interior then head for the Caribbean coast and the Yucatan, exploring both well-known Mayan sites and many that tourists seldom visit, like the remote - impressive ruins at Calakmul, near the Guatemalan border. All your RV parks are covered, plus many meals & tours. We will end the trip with some relaxing beach stays on the west coast. We will cruise on Lake Bacalar, sometimes referred to as the Maldives of the Americas, swim in jungle rivers & sink holes, witness thousands of bats emerge from a cave at sunset and observe strange religious practices in the highlands of Chiapas. We will stay at an orphanage in Chiapas. On our last trip we raised enough money to supply it with an extra fridge and a washing machine." This year the Yucatan Caravan met in Mission, Texas in January (border crossing) and returned via Lukeville, Az in early April. By being only Class B's we will have better access to more campgrounds, so signing up now will assure we are only Roadtreks and Class B's.

# Roadtrek R&R to See the Total Solar Eclipse

*RALLY REPORT*

## REGION 6 Roadtrek R&R to See the Total Solar Eclipse

**Arrowhead Lake**

**Johnston City, IL**

**April 7-8, 2024**

**By Gil and Nancy Emmert**

Eleven Roadtrekkers, including three guests, gathered at the Arrowhead Lake campground in Johnston City, IL on the chance that the weather would cooperate and allow them to see the totality phase of the solar eclipse that was to occur on April 8, 2024. The weather cooperated very nicely; it was sunny with clear skies and temperature in the 70s. It was perfect weather for solar eclipse viewing.

The first "bite" of the eclipse occurred at about 12:45 PM. The eclipse became total at 1:59 PM and lasted slightly over four minutes. The photo shows the eclipse at the end of the total phase and the start of the final partial phase. The photo was taken just slightly after what is called the "diamond ring" effect. The brownish ring surrounding the "diamond" is a lens flare artifact. During totality, the area was quite dark, the birds stopped singing, and it became very quiet and noticeably cooler. The sky was very dark and a planet, probably Jupiter, became visible.

The next solar eclipse in the lower 48 states is not until 2044, so if you missed this one, it is a long wait till the next one.

**By Betty & Jim Weite and Dave Gottdiner**

Oscar Scherer State Park, Osprey, FL, Rally

17 Roadtreks enjoyed great weather that enabled us to have social hour and Pizza, campfire 2 nights followed by S'mores. Legacy Bike Trail was close by for us to ride. Tram ride with a ranger was on Wednesday. We had raccoons visit every night to see what we had for them to eat. Geek on Tour joined us and shared some tips.

### **Note from Chris Oberhoffer:**

**LIKE MUSIC?** If you are so inclined to love history and music culture look at a 5 1/2-page article "There's Music in the Air" in the Nov. Family Rving Magazine "Mountain State Magic" Pages 62-67. It is written by Josephine Matyas our former Region 3 VP. There are many pictures and descriptions of places to go and enjoy Region 3.

### **Attention all Canadians in REGION 3**

Josephine has been our VP for region 3. Recently she had to step back from her position because of a family medical issue where she has additional responsibilities in the caregiver department. Is there any one in Region 3 that would like to help with this position. It doesn't require a lot of your time but does help to have someone who can communicate with members in your region on activities and gatherings that members may be planning. This year we finally have some open communication with our Roadtrek Manufacturer and it is Roadtreks 50th anniversary manufacturing Roadtreks! Region 3 is a vital link to them. Maybe you could help. I am only a 21-hour drive from the Roadtrek headquarters so a little help from a few VP's would be helpful. Josephine is willing to be your advisor.

On May 14 - 17 we are having our annual chapter rally. An amendment to allow past owners of Roadtreks to continue as members of Roadtrek International has been proposed to allow a new Alumni membership. I don't know the wording of this amendment to our bylaws, nor what the requirement will be to qualify as an Alumni nor what benefits will be given. But I'm in favor of this amendment to our bylaws.

On August 13 - 15 Roadtrek Corporate will be sponsoring a rally in Canada to celebrate the 50th anniversary of their manufacturing of the Roadtrek RV's. They will be setting up a website for rally registration. I encourage you to attend this momentous event at Guelph Lake, Ontario Canada.

The Chapter Rally on May 15 - 17 is the next big event on the RTI calendar I'm hoping for a good turnout and a well run meeting with Roadtrek family and friends at the Mosey INTO Muskogee Rally.

Next for Region 4 is the GLAMARAMA 2024 registration From: FMCA | Great Lakes Area <arearallies@fmca.com> Date: Wed June 5-9, 2024. Region 4 hosting a regional rally in conjunction with the FMCA Glamarama June 5 - 9 2024 at the Darke County Fairgrounds in Greenville, Ohio. Contact me, Dave Bennett [geodaveksu67@gmail.com](mailto:geodaveksu67@gmail.com) 330-204-8876 if you're planning to attend. So far seven rigs and eleven people have signed up: Julie & I; Ronda Deel; Connie Epp; Robert & Darlene Jones; Doyle & Marianne Kershaw; John & Sharon McCarragher and Mickey & Mary Meyers.

On June 20-22, 2024 Don & Maria Hatfield are sponsoring an R&R at Indian Mountain State Park near Jellico, TN. So far seven RV's have signed up and three have expressed interest. See the Event Description for details.

Look for Terry Whitesell's Awesome Autumn XII announcement in this newsletter.

Happy trails to you, until we meet again,

For most of us in the northern regions spring is coming and it is time to start signing up for the rallies we want to attend.

Our **2024 Chapter Rally** will take place May 13-15 followed shortly thereafter by the FMCA INTO Rally May 17-20 (both at Muskogee, Oklahoma.) This is a great way to take in two rallies on one trip! (See details in this newsletter and on the FMCA site.) Check to see if they still have openings!

**If you are looking for a chance to socialize with fellow Roadtrekers in Region 6, we will be camping together at the FMCA Midwest Area Rally July 24 – 27 at Amana, Iowa. They are currently accepting reservations. (Be sure to indicate that you wish to park with the Roadtreks.) Amana is located in eastern Iowa just a little north of I-80.**

**Early arrival date is Monday July 22 (additional \$35 cash). Coming in early would allow more time to explore the Amana communities, famous for their crafts and food. We hope you will join us. See information in the “Rallies Section” of this newsletter.**

Some of you joined Gill and Nancy Emmert in April. at Arrowhead Lake, Johnston City, IL to view the total solar eclipse. We would like to see more Roadtrek rallies in our region. If you have an idea for a rally, contact your VP's. We are here to help. Your rally can feature a special place or event such as a festival - or it can be a relaxing few days to share the company of fellow Roadtrekers. Rallies are not only an enjoyable experience but a great way to learn more about your RT.

Hope to see you at a rally.

We are always looking for new places to go and help planning rallies at those places. If you have a location in mind for a rally or R&R, contact the region VP's and we will facilitate getting it going. We need ideas and volunteers to help plan. Please volunteer! Your region VP's are experienced at rally planning and executing them but need you to help find a location and help to plan activities.

We need a fun place for a fall rally. Help us find and plan one.

Our Region 7 VP's have taken on other duties. We are all staying on as Region 7 VP's, for now. However, if someone in Region 7 would like to step up and volunteer to be VP, please contact the Nominating Committee Chair, Ronda Deel at [rondadeel@gmail.com](mailto:rondadeel@gmail.com)

**Roadtrek Caravan to Yucatan 2025!**

We have been Roadtrek members since we purchased our 2000 Roadtrek 190V in 2002. I recall hearing rallies being announced that were to take our Roadtreks on the train to Copper Canyon in Mexico and a rally somewhere in Washington or maybe Victoria to take a cruise to Alaska. Since we were working full time and had young children at home, we were not able to join in those wonderful adventures.

In that vein, though, we thought a Roadtrek caravan to Yucatan would not be too great a challenge. What do you think? Do you want to accept the invitation to join us and fellow Roadtrekkers for a three-month tour led by Caravanas de Mexico? Unlike the Gilligan's Island "three-hour tour", we are definitely planning on where to be, what sites to see and people to meet, where the fantastic food is, and what great campgrounds to stay at. We have gone on a Mexico City trip with Caravanas de Mexico before and it was wonderful. We are already excited in anticipation of this trip, and it is more than a year away!

**This event is cancelled!**
